Civic club visit guide

A short plan for a 20-minute talk to a Rotary, Lions, library group, or other club.

1. Open (2 min): who I am, that this is independent and unofficial, that I have met the Chief several times while staying independent.
2. Facts (6 min): the numbers on one page (fact sheet).
3. Statement vs term (4 min): what is written and what is promised.
4. What you can do (3 min): records, comment, questions.
5. Q&A (5 min).

Neutral discussion prompts

- What would you want written in a contract?
- Who should check, and how often?
- What should be public?

I do not tell groups how to vote or what to conclude.
