WHAT IS AN ALPR?

A camera that photographs license plates and turns them into text. It can compare plates to lists, like stolen cars.

THE NUMBERS

9 cameras. 30 days of data now. A new company, Axon, is proposed: $235,388.97 over 10 years (a draft, not final). Council budget vote: Nov 17.

STATEMENT OR WRITTEN TERM?

What an official says is not the same as what a contract says. Ask which one you are hearing.

THREE GOOD QUESTIONS

What is written down? Who checks it, and how often? When can residents comment?

YOU CAN

Email the Mayor and your alder. Speak at public comment. Ask for public records. You do not have to be 18 to ask.

READ THE SOURCES

sunprairiealpr.netlify.app has the policy, the quote, the emails and the trackers.
